Unit 9D The Future of Aromatherapy

The Future of Aromatherapy-(9D)

Transformations:

You are part of the future in aromatherapy. It is as broad and amazing as your imagination.

1) What would you like to do with aromatherapy in the future?

2) How would you like to use aromatherapy in your home?

3) How would you like to use aromatherapy in your business?

4)What can you see happening in our society with aromatherapy?

Please get on the Practical Potions Facebook and share your ideas.
